Title	Professor, Department of Anatomy and Cell Biology
Institution	The University of Tokushima
Institution URL	http://www.tokushima-u.ac.jp
Department	Department of Anatomy and Cell Biology
Department URL	http://www.tokushima-u.ac.jp/med/
Institution type	National university
Public advertisement URL	http://www.tokushima-u.ac.jp/about/adoption/public_appeal.html
	The Institute of Health Biosciences, the University of Tokushima Graduate School is an interdisciplinary graduate program
	integrating under health biosciences the research divisions of medicine, dentistry, pharmaceutical sciences, nutrition, and
	health sciences. The mission of the Institute is to serve the needs in public health and welfare through innovative
	research and comprehensive education in bioscience and medicine.
Outline	
outine	The Department of Anatomy and Cell Biology, established as the First Department of Anatomy in 1951 and updated to
	the current title in 2004, is under the Division of Medical Informatics in the Institute of Health Biosciences. The teaching
	responsibilities of the department includes giving lectures and supervising practicums in histology and osteology courses
	for the second year students in the Faculty of Medicine at the University of Tokushima.
	(1) Teaching graduate and undergraduate level courses on histology and osteology
Content of work	(2) Teaching and supervising histology and osteology practicums
	(3) Conducting research and providing research guidance to students
	Field : Medicine and Dentistry, Pharmacy
Research field	Specific classification : Basic Medicine
Job type	Professor level
Rank	Full-time (Tenured)
Work area	Shikoku district - Tokushima
Number of positions	1 Professor
	1. Doctoral degree
Qualifications	2. Ability to promote cutting-edge research in basic medical sciences, and in the field of tissue and cell morphology in
	particular
	3. Ability to develop a strong medical curriculum in anatomy, and commitment to teaching to ensure the high quality of
	education offered in the Facuty and Graduate School of Medicine at the University of Tokushima
	4. Ability to fulfill administrative responsibilities collaboratively in the Department of Anatomy and Cell Biology and to
	contribute to the further development of the Institute of Health Biosciences and the Facuty and Graduate School of
	Medicine at the University of Tokushima
