POSTDOCTORAL POSITION IN LYMPHATIC VASCULATURE BIOLOGY IN HEALTH AND DISEASE

POSTDOCTORAL POSITION is immediately available to follow up on our recent published work identifying that lymphatic-secreted signals are required for organ growth and repair using a variety of available mouse models (<https://www.nature.com/articles/s41586-020-2998-x>). Highly motivated individuals who recently obtained a PhD. or MD degree and have a strong background in mouse cardiovascular, molecular and developmental biology are encouraged to apply. Interested individuals should send their curriculum vitae, a brief description of their research interests, and the names of three references to:

Guillermo Oliver, Ph.D
Thomas D Spies Professor of Lymphatic Metabolism
Director Center for Vascular and Developmental Biology
Northwestern University Feinberg School of Medicine
303 East Superior Street, 10-107
Chicago, Illinois 60611
Email: guillermo.oliver@northwestern.edu
